

**AMA Vintage Motorcycle Days 2016 - Roadrace Pre-Entry Instructions  
Mid Ohio Sports Car Course - Lexington, OH  
July 8-10, 2016**

Pre-entry this year will be done through the WERA website at <https://www.wera.com>

The first step for online pre-entry is to get an ID number from WERA. If you already have a WERA license, you're all set. If you've raced VMD before (since 2009), then we have already assigned one to you. Just email WERA at [wera@wera.com](mailto:wera@wera.com), and we'll get you set up. If you have never run an event run by WERA, just email us. For all entries we will need:

- your name
- address
- bike number (your main bike number if you have multiples)
- AMA membership number

If you've never run VMD or any WERA event prior to this we'll assign you a number. These are just numbers for our system to keep track of everyone and are different than your other race numbers.

Once you've got the ID number, you will be able to register/login for pre-entry on the website. You can set up your bike(s) you are running, enter sponsors and so on. To register for the site, you'll need your ID which we will email back to you, your zip code, and your expiration month, (For full WERA members the expiration month will vary and is on your license. For VMD-only racers this will be July.)

Log into the Wera website. Under the "My Profile" link, you will see a link for "Race Entries." You will be able to enter either or both days. Friday practice will be listed under the Saturday event. You can enter both days prior to checking out.

Pre-entry fees for the event are as follows:

- Friday practice is \$100 per machine. If you want to enter multiple machines (assuming they fit in different practice groups), you will be able to add on at the track. If you have multiple machines in the same practice group, just let tech know you have a backup bike. We will tech both.
- Race entries are \$80 for your first class and \$70 for each additional class, no matter which day.

All monies collected for online pre-entry are done via PayPal.

We will also be offering hardcopy pre-entry via fax, mail or email. You can find the form on the website at <http://maps.wera.com/pdfs/forms/VMDentry2016.pdf>.

If submitting a hardcopy, the form needs to be completed and sent to the WERA office by July 1, 2016.

Fax to: (770) 720-5015

Mail to: WERA Motorcycle Roadracing, 2555 Marietta Hwy., #104, Canton, GA 30114

Scan and email to: [wera@wera.com](mailto:wera@wera.com)
